Description

A project to enjoy twice as much, where quality and beauty come together, because Doble Pacheco was created to generate twice as much satisfaction for its owners and inhabitants.

Doble Pacheco is already today the new icon of the Recoleta neighborhood and is, in turn, a highlight of its extremely close neighbors such as the Villa Morra or Los Laureles neighborhoods.

The level, quality and design of the equipment and finishes are designed so that the experiences are twice as intense. The durations of the materials as well. Quality that ensures enjoyment and pleasure.
