Description

Located a few meters from the route that connects the City of Itacurubí de la Cordillera with Santa Elena.

- It has a frontage of 12 meters and a depth of 40 meters with a small stream that passes behind the land, forming a beautiful tajamar.

- Due to its location and dimensions, it is ideal for the construction of a country house since it is very close to supermarkets, pharmacies and shopping centers in the city, as well as a few meters from Arroyo Yhaguy.
